INTRODUCTION

31. Plaintiff files the instant action to, among other things, protect the Plaintiff's interest in a multifamily residential complex commonly known as the "Addison Place Apartments," located in Hinds County, Mississippi at 3175 Robinson Road, Jackson, Mississippi 39209 (the "Facility"). Ancillary to its accounting and breach of contract causes of action pleaded herein, Plaintiff is seeking the appointment of a receiver for the operation of the Facility and to preserve and protect the Collateral (as defined herein), including the issuance of injunctive and other equitable relief to fortify the receiver's ability to operate the Facility, as well as other equitable and legal relief.

FACTS

A. The Loan Obligations

30. Borrower obtained a loan in the original principal amount of \$3,700,000 (the "Loan") from Arbor Commercial Funding, LLC (the "Original Lender") pursuant to that certain *Multifamily Loan and Security Agreement (Non-Recourse)* dated as of August 3, 2015, executed by and between Borrower and Original Lender (the "Loan Agreement"). A true and correct copy of the Loan Agreement is attached hereto as **Exhibit "A"**.

31. The Loan is evidenced by that certain *Multifamily Note*, dated August 3, 2015, executed by Borrower in favor of Original Lender in the original stated principal amount of \$3,700,000.00 (as may have been assumed, amended and/or assigned from time to time, the "Note"). A true and correct copy of the Note and all allonges affixed thereto is attached hereto, collectively, as **Exhibit "B"**.

32. In order to secure Borrower's obligations to Original Lender under the Note, Borrower granted to Original Lender a first priority security interest in certain real property (the "Real Property Collateral") pursuant to that certain *Multifamily Deed of Trust, Assignment of Leases and Rents, Security Agreement and Fixture Filing*, dated as of August 3, 2015, recorded among the land records maintained by the Chancery Clerk of Hinds County (First Judicial District), Mississippi (the "Recording Office") on August 6, 2015, at Book 7180, Page 6431 (as may have been assumed, amended and/or assigned from time to time, collectively, the "Deed of Trust"). A true and correct copy of the Deed of Trust is attached hereto as **Exhibit "C"**.

33. Pursuant to the Deed of Trust, Borrower's obligations are further secured by certain personal property, including, without limitation, Borrower's fixtures, furniture, goods, equipment, accounts, licenses, general intangibles, and other collateral related to the Facility (collectively, the "Personal Property Collateral") and together with the Real Property Collateral, collectively, the "Collateral"). The Collateral encompasses all real and personal property related to the Facility, including, without limitation, the Rents (as defined below).

34. Plaintiff's security interest in the Personal Property Collateral is also perfected through the recording of a *UCC-1 Financing Statement* in the Recording Office on August 6, 2015, at Book 7180, Page 6457 (as may have been amended, continued and/or assigned from time to time, the "Financing Statement"). A true and correct copy of the Financing Statement is attached hereto as **Exhibit "D"**.

35. As additional security for Borrower's obligations to Original Lender, Chaim Poretz ("Guarantor") executed that certain *Guaranty of Non-Recourse Obligations*, dated as of August 3, 2015, in favor of Original Lender (as may have been assumed, amended and/or assigned from time to time, the "Guaranty"). A true and correct copy of the Guaranty is attached hereto as **Exhibit "E"**.

36. The Note, Deed of Trust, Financing Statement, Guaranty, and all other documents referring to, relating to, or evidencing the Loan are hereinafter referred to as the "Loan Documents." Any capitalized terms used herein but not otherwise defined herein shall have the meaning ascribed to them in the Loan Documents.

37. The Loan and all Loan Documents were assigned by Original Lender to Fannie Mae by (i) that certain *Endorsement and Allonge to Promissory Note* attached to the Note; (ii) that certain *Assignment of Multifamily Deed of Trust, Assignment of Leases and Rents, Security Agreement and Fixture Filing* recorded on August 6, 2015, in the Recording Office at Book 7180, Page 6453 (the "Loan Document Assignment"). A true and correct copy of the Loan Document Assignment is attached hereto as **Exhibit "F"**.

38. For purposes of this Complaint, all of the of the amounts owed by Borrower to Plaintiff under the Loan Documents, including, without limitation, any late fees, default interest, and yield maintenance payments, shall collectively be referred to herein as the "Indebtedness." Under the Loan Documents, in addition to the Indebtedness, Borrower is obligated to reimburse Plaintiff for costs and expenses incurred by Plaintiff in connection with the Indebtedness, including, without limitation, attorneys' fees and other costs of collection, servicing fees, and costs of insuring, protecting, maintaining, or disposing of the Collateral (together with the Indebtedness, collectively, all such amounts are referred to herein as the "Loan Obligations").

B. The Existing Defaults

39. In the Loan Documents, Borrower agreed to keep the Facility in good repair and marketable condition, to make repairs as required by Fannie Mae following Fannie Mae's notice of necessary repairs, and to perform all replacements and repairs in a good and workmanlike manner.

40. Borrower has failed to maintain the Facility in good repair and condition.

41. The Loan Agreement provides that Fannie Mae may, upon thirty (30) days prior written notice to Borrower, require an additional deposit into the Repairs Account (as defined in the Loan Agreement) if Fannie Mae determines that the amount on deposit in the Repairs Account is not sufficient to cover the costs for required repairs at the Facility. Similarly, the Loan Agreement further provides that, if Fannie Mae determines that there are not sufficient funds on deposit in the Replacement Reserve Account to cover expected future costs, it may demand additional deposits be made into such account.

42. By *Notice of Demand for Cure* letter, dated July 12, 2018 (the “Reserve Funding Demand Letter”), Borrower and Guarantor were provided with a copy of a *Property Condition Assessment* report, dated May 30, 2018 (the “PCA”), prepared by a third-party real property consultant that identified and recommended repairs and replacements at the Facility, including certain critical repairs and deferred maintenance explained therein. A genuine and complete copy of the Reserve Funding Demand Letter, which includes the PCA, is attached hereto as **Exhibit "G"**.

43. In the Reserve Funding Demand Letter, the following demands were made on Borrower and/or Guarantor in accordance with the terms and conditions of the Loan Documents:

- (a) That Borrower deposit the sum of \$9,200.00 (the “Life Safety Repairs Deposit”) into the Repairs Account held by the loan servicer within ten (10) days, and that the repairs listed as Critical Repairs in the Property Assessment be fully repaired within thirty (30) days;
- (b) That Borrower deposit the sum of \$570,350.00 (the “Critical Repairs Deposit”) into the Repairs Account held by the loan servicer within ten (10) days, and that the repairs listed as Critical Repairs in the Property Assessment be fully

repaired within ninety (90) days;

(c) That Borrower deposit the sum of \$239,325.00 (the "Deferred Maintenance Deposit") into the Repairs Account held by the loan servicer within ten (10) days, and that the repairs listed as Deferred Maintenance in the Property Assessment be fully repaired within six (6) months; and,

(d) That Borrower immediately increase its monthly deposits in the Replacement Reserve by \$2,906.00 per month, for a total monthly deposit of \$8,081.25, to keep up with the assessed ongoing maintenance needs of the Facility.

44. Borrower failed to comply with the Demand Letter. Accordingly, multiple defaults exist under the Loan Documents due to Borrower's failure to, among other things, make repairs needed to maintain the Facility in good condition and in failing to tender the monetary payments required under the Demand Letter (collectively, the "Events of Default").

45. By *Notice of Default and Acceleration & Revocation of Right to Collect Rents*, dated September 21, 2018 (the "Acceleration Letter"), Fannie Mae notified Borrower that the Loan has been accelerated and demanded payment in full of the entire unpaid principal balance of the Note, plus all accrued and unpaid interest and fees and costs due under the Loan Documents, and further notified Borrower that Borrower's license to collect Rents from the Property is revoked and all such Rents are to be held in trust for the benefit of Fannie Mae. A true and correct copy of the Acceleration Letter is attached hereto as **Exhibit "H"**.

46. Borrower has failed to cure the Events of Default or to satisfy the Loan Obligations, and Borrower continues to receive Rents generated from the Collateral notwithstanding the Events of Default under the Loan Documents and the revocation of Borrower's right to collect Rents. Thus, Events of Default have occurred and are continuing under the Loan Documents.

47. In this action, Fannie Mae is seeking:

- (a) an accounting for and turnover of all Rents generated by the Facility;
- (b) appointment of a receiver to oversee, administer, and manage the Facility pending the foreclosure or other disposition of the Collateral;
- (c) a temporary and permanent injunction restraining and enjoining Defendant from transferring, disposing, wasting, and converting any rents, royalties, issues, profits, revenue, income, leases, security deposits, other deposits, or other proceeds of any kind whatsoever, derived, generated, or related to or from the Collateral (collectively the "Rents"), and other collateral securing the indebtedness owed, and directing Defendant to account for all such Rents it has collected since August 24, 2018, and further directing Defendant to remit all such Rents to the duly appointed Receiver, as described and qualified herein, pending further order of this Court;
- (d) damages for breach of contract under the Loan Documents; and
- (e) such other and further relief the Court may deem just and appropriate under the circumstances.

COUNT I
ACCOUNTING – RENTS AND PROFITS

48. Fannie Mae incorporates by reference the allegations set forth above as if set forth fully herein.

49. The Deed of Trust grants Fannie Mae possession of all Rents upon the occurrence of an Event of Default under the Loan Documents.

50. Fannie Mae is entitled to enforce and exercise its rights in all Rents generated by the Facility.

51. Fannie Mae has demanded that Borrower fully comply with all Loan Obligations, which include an obligation for Borrower to hold all Rents in trust for Fannie Mae.

52. Borrower continues to use the Rents in contravention of the Loan Documents.

53. Accordingly, Fannie Mae demands that Borrower be compelled to provide an accounting for all Rents generated by the Facility and related Collateral from and after August 24, 2018.

COUNT II
APPOINTMENT OF A RECEIVER

55. Fannie Mae incorporates by reference the allegations set forth above as if set forth fully herein.

56. Pursuant to Fed R. Civ. P. 66, the Court may appoint a receiver upon application by a party in writing.

57. A duly appointed receiver is an officer of the Court whose powers are set forth by 28 U.S.C. § 959(b), which provides (in pertinent part),

[A] trustee, receiver or manager appointed in any cause pending in any court of the United States, including a debtor in possession, shall manage and operate the property in his possession as such trustee, receiver or manager according to the requirements of the valid laws of the State in which the property is situated, in the

same manner that the owner or possessor thereof would be bound to do if in possession thereof.

28 U.S.C. § 959(b).

58. Furthermore, at the time Borrower obtained the Loan, it expressly consented to the appointment of a receiver upon occurrence of an Event of Default. Specifically, Section 3(e) of the Deed of Trust provides as follows:

Notwithstanding any other right provided Lender under this Security Instrument or any other Loan Document, if an Event of Default has occurred and is continuing, and regardless of the adequacy of Lender's security or Borrower's solvency, and without the necessity of giving prior notice (oral or written) to Borrower, Lender may apply to any court having jurisdiction for the appointment of a receiver for the Mortgaged Property to take any or all of the actions set forth in Section 3. If Lender elects to seek the appointment of a receiver for the Mortgaged Property at any time after an Event of Default has occurred and is continuing, Borrower, by its execution of this Security Instrument, expressly consents to the appointment of such receiver, including the appointment of a receiver *ex parte*, if permitted by applicable law.

59. Furthermore, pursuant to Section 3 of the Deed of Trust, upon default, Borrower's right to collect Rents from the Facility is automatically terminated, and Fannie Mae is immediately entitled to be in possession of all Rents. Moreover, Section 3 provides that upon an Event of Default, Fannie Mae may require Borrower to surrender possession of the Property to Fannie Mae or to a receiver appointed to collect the Rents. Despite Fannie Mae's recourse in and to the Collateral, including the Rents, Borrower continues to collect Rents from the Facility.

60. Fannie Mae has identified and requests that the Court appoint **Tarantino Properties, Inc.** ("Receiver"), as Receiver for the Facility, with Salvatore Thomas, its Executive Vice-President for Multifamily Properties, to serve as the primary contact person. Tarantino and its principals have extensive experience in multifamily asset management, acquisitions, finance, leasing and property management, as well as significant experience as court-appointed receiver. Materials describing the experience and expertise of Tarantino Properties, Inc., are attached hereto as **Exhibit "I"**.

61. Pursuant to Section 3 of the Deed of Trust and this Court's equitable powers, Fannie Mae requests that the Receiver have, at Borrower's expense, all of the usual powers and duties of receivers in similar cases, including, without limitation, the full power to hold, develop, rent, lease, manage, maintain, operate, market for sale, enter into contracts to sell (with final authority to sell requiring Court approval, upon motion with notice to all lienholders), and otherwise use or permit the use of the Collateral, subject to Fannie Mae's approval (collectively, the "Receiver's Powers"), including, without limitation, the power to:

(a) Enter upon and take possession and control of the Facility and all other Collateral, and to perform all acts necessary and appropriate for the operation and maintenance thereof;

(b) Take and maintain possession of all documents, books, records, papers and accounts relating to the Facility;

(c) Exclude Defendant and its agents, servants and employees wholly from the Facility, including changing any and all locks to the Facility;

(d) Allow Fannie Mae, its counsel, appraisers, and other independent third-party consultants engaged by Fannie Mae or its counsel access to the Facility at all reasonable times to inspect the Facility and all books and records, and to cooperate with Fannie Mae, its counsel, appraisers and other independent third-party consultants to evaluate the Facility;

(e) Manage and operate the Facility under any existing name or trade name (or new name) if the Receiver deems appropriate to do so, subject to the consent of Fannie Mae;

(f) Exercise any and all rights of Defendant and/or Fannie Mae (in any event subject to Fannie Mae's consent) in and to any and all license and/or franchise agreements;

(g) Retain, hire or discharge on-site employees at the Facility (none of whom are or shall be deemed to be employees of Fannie Mae) without any liability to the Receiver or Fannie Mae;

(h) Establish pay rates for on-site employees at the Facility;

(i) Preserve, maintain, and make repairs and/or alterations to the Facility;

(j) Conduct a marketing or leasing program with respect to the Facility, or employ a marketing or leasing agent or agents to do so, directed to the leasing or sale of the Facility under such terms and conditions as Fannie Mae may in its sole discretion deem appropriate or desirable;

(k) Employ such contractors, subcontractors, materialmen, architects, engineers, consultants, managers, brokers, marketing agents, or other employees, agents, independent contractors or professionals, as Fannie Mae may in its sole discretion deem appropriate or desirable to implement and effectuate the rights and powers granted therein;

(l) Execute and deliver, as attorney-in-fact and agent of Defendant or in Defendant's own name, such documents and instruments as are necessary or appropriate to consummate transactions authorized by order of this Court;

(m) Enter into such leases, whether of real or personal property, or tenancy agreements, under such terms and conditions as Fannie Mae may in its sole discretion deem appropriate or desirable;

(n) Collect and receive all Rents from the Facility;

(o) Eject tenants or repossess personal property, as provided by law, for breaches of the conditions of their leases or other agreements;

(p) Pursue legal remedies for unpaid Rents, payments, income or proceeds in the name of Defendant;

(q) Maintain actions in forcible entry and detainer, ejectment for possession and actions in distress for rent;

(r) Compromise or give acquittance for Rents, payments, income or proceeds that may become due;

(s) Determine and report to the Court and Fannie Mae whether any Rents previously received by Defendant have been used for purposes other than for the maintenance, management and operating expenses of the Facility;

(t) Require any and all officers, directors, managers, agents, representatives, independent contractors, partners, affiliates, attorneys, accountants, shareholders and employees of the Defendant to turnover and deliver to the Receiver any and all Rents in their possession;

(u) To open and review mail directed to Defendant and its representatives pertaining to the Facility or the Collateral;

(v) Analyze, determine and implement the best approach to maximize value from the Collateral for the benefit of Defendant's creditors and interest holders, including, without limitation, marketing the Facility for sale as a going concern, subject to Fannie Mae's prior written approval, entering into contracts to sell the Facility (with final authority to sell requiring Court approval, upon motion with notice to all lienholders); provided, however, that in no event shall Receiver's power to market the property for sale, or any other power granted hereunder, in any way impair Fannie Mae's ability to exercise its rights and remedies under the Loan Documents, including, without limitation, the right to foreclose the Deed of Trust;

(w) Facilitate the assumption of the Loan by a third party, subject to Fannie Mae's prior written approval;

(x) Enter into contracts and agreements necessary to continue normal operations of the Facility in the name of Defendant or Receiver;

(y) Amend, modify or terminate any existing contracts affecting the operations of the Facility, but only upon terms and conditions that are subject to Fannie Mae's approval;

(z) Pay all appropriate real estate taxes, personal property taxes, or other taxes or assessments against the Facility, from funds in property reserves, funds generated by the Facility, or funds advanced by Fannie Mae (in Fannie Mae's sole discretion);

(aa) Exercise all rights of Defendant in and to all government-issued permits, certificates, licenses or other grants of authority, to take all steps necessary to ensure the continued validity of such permits, certificates and licenses, and to take all steps necessary to comply with all requirements, regulations and laws applicable to the Facility;

(bb) Maintain a separate account with a federally insured banking institution or a savings association with offices in the State of Mississippi in the Receiver's own name, as Receiver, from which the Receiver shall disburse all payments authorized by order of this Court;

(cc) Receive and endorse checks pertaining to the Facility, either in Receiver's name or in Defendants' name;

(dd) Do any acts which Fannie Mae (in its sole discretion) deems appropriate or desirable to protect the security hereof and use such measures, legal or equitable (as Fannie Mae in its sole discretion) deems appropriate or desirable to implement and effectuate the provisions of the Loan Documents.

62. Pursuant to Section 3 of the Deed of Trust, and as a result of Borrower's failure to meet its obligations under the Loan Documents as set forth above, including, without limitation, the Events of Default, Fannie Mae is entitled to the appointment of the Receiver.

63. Fannie Mae asserts that the Receiver is necessary to take control of the Collateral to receive and manage the Rents, to prevent any waste and diminution in value of the Collateral and to protect the Fannie Mae's interests in the Collateral.

64. Fannie Mae reserves the right to make future requests that the Court expand the Receiver's Powers should the same be deemed necessary.

65. Fannie Mae requests that receipts received from the operation of the Facility be applied to reimburse the Receiver for all reasonable costs and expenses that it (or its delegates) incur as a result of serving as receiver, for payment of insurance premiums and management fees authorized thereunder, to compensate Receiver for its services as receiver, and for payment of all Loan Obligations.

66. In accord with the Deed of Trust, the appointment of the Receiver should not impair or in any manner prejudice the rights of Fannie Mae to receive payment of the Rents pursuant to the terms and provisions of the Loan Documents or to exercise Lender's rights under the Loan Documents.

67. Fannie Mae requests the Receiver be authorized to remit to Fannie Mae all funds, proceeds and Rents that constitute Collateral of Fannie Mae for application to the Indebtedness of Defendant under the Loan Documents, to the extent not expended for any of the purposes herein authorized.

68. Fannie Mae requests that this Court enter an order providing that Receiver shall be compensated for its services as Receiver as set forth in the Motion and proposed Order filed contemporaneously herewith (collectively, the "Receiver Fee").

69. Fannie Mae requests that the Court enter its order allowing payment of the Receiver Fee to the receiver from the operations of the Collateral.

COUNT III
TEMPORARY RESTRAINING ORDER

70. Fannie Mae incorporates by reference the allegations set forth above as if set forth fully herein.

71. Pursuant to the provisions of the Deed of Trust and Fannie Mae's revocation of Borrower's right to collect the Rents, Fannie Mae is entitled to collect the Rents and apply the same in accordance with the Loan Documents.

72. Fannie Mae has notified Borrower that Fannie Mae is entitled to all post-default Rents and that such Rents are to be held in trust for Fannie Mae, but Borrower has failed and refused to acknowledge the same.

73. Borrower has failed to apply the Rents in accordance with the provisions of the Loan Documents, including its failure to tender the Life Safety Repairs Deposit, the Critical Repairs Deposit and the Deferred Maintenance Deposit as required under the Loan Documents.

74. Fannie Mae reasonably believes its interest in the Rents is endangered and likely to be lost or rendered inadequate without the entry of injunctive relief requiring payment and escrow of the Rents to the receiver.

75. Therefore, in addition to the rights granted Fannie Mae under the Loan Documents, the equities dictate that Fannie Mae be granted a temporary restraining order and, upon hearing, a preliminary and permanent injunction:

(a) prohibiting Defendant from disbursing, collecting, disposing, and converting any Rents;

(b) directing Defendant to account for all such Rents it has collected since August 24, 2018;

(c) further directing Defendant to remit all such Rents to the duly appointed receiver; and

(d) restraining and enjoining Defendant from collecting, transferring, disposing, wasting, and converting the Rents and other collateral securing the indebtedness owed.

76. Fannie Mae will suffer immediate and irreparable injury, loss, and damage unless Defendant is restrained and enjoined as requested hereunder.

77. Moreover, Fannie Mae is likely to prevail on the merits of this Complaint and the balance of equities favors entry of the requested equitable relief.

78. The injuries, losses, and damages to Fannie Mae cannot be remedied by money damages alone.

79. Because Fannie Mae has no adequate remedy at law and there is a substantial likelihood that it will prevail on the merits of this Complaint, the equitable relief sought herein is appropriate.

COUNT IV
PRELIMINARY AND PERMANENT INJUNCTION

80. Fannie Mae incorporates by reference the allegations set forth above as if set forth fully herein.

81. Fannie Mae has a first priority perfected security interest in the Collateral, and Fannie Mae possesses an assignment of Rents.

82. Based on the failure of Defendant to meet its obligations under the Note and Loan Documents, its inability to finance operations of its business, and its misapplication and withholding of Rents, Fannie Mae has a good faith basis for being gravely concerned about the protection and preservation of the Collateral.

83. Further, because of the "Non-Recourse" nature of the loan (as detailed at Section 3 of the Loan Agreement), subject to very limited exceptions, Fannie Mae's only recourse for the satisfaction of the Loan Obligations "shall be [Fannie Mae's] exercise of its rights and remedies with respect to the [Facility] and any other Collateral held by [Fannie Mae] as security for the Indebtedness."

84. Absent entry of a preliminary injunction restraining and enjoining Defendant from collecting, transferring or disposing of any of the Collateral, including the Rents, Fannie Mae reasonably believes that Rents may be transferred, disposed, wasted, expended, converted, and destroyed in violation of the Loan Documents, thereby causing irreparable harm to Fannie Mae.

85. As manifested in the aforementioned factual allegations, Fannie Mae is likely to prevail on the merits of this action.

86. Fannie Mae has sustained and will continue to sustain immediate and irreparable injury as a result of Defendant's actions concerning collection of Rents and refusal to remit the same to Fannie Mae.

87. With respect to such conduct by Defendant, Fannie Mae has no adequate remedy at law.

88. The balance of the equities favors the issuance of a preliminary injunction in favor of Fannie Mae.

89. Accordingly, Fannie Mae requests this Court enter a preliminary injunction requiring Defendant and its agents to:

(a) Preserve intact all Rents currently in its possession or subsequently received from the Collateral pending the appointment of a Receiver; and

(b) Immediately pay, upon appointment of a Receiver, all Rents (including security deposits) in its possession or subsequently received from the Collateral to the Receiver; and

(c) Surrender possession of the Facility in order to allow the Receiver to operate the same; and

(d) Turn over to the Receiver all books, records and accounts affecting the Facility.

90. Upon hearing, Fannie Mae requests that the Court issue a permanent injunction prohibiting Defendant from transferring, converting, or disposing of any of the Rents and directing Defendant to remit all Rents in its possession or subsequently received to the Receiver.

COUNT V
BREACH OF CONTRACT – BORROWER

91. Fannie Mae incorporates by reference the allegations set forth above as if set forth fully herein.

92. Borrower executed the Loan Documents that secured the Loan.

93. Fannie Mae is the holder of the Loan Documents and is entitled to enforce the Loan Documents.

94. Under the Loan Documents, Borrower incurred various contractual obligations to Fannie Mae, including the obligation to make the Life Safety Repairs Deposit, the Critical Repairs Deposit and the Deferred Maintenance Deposit, and to turnover the Rents to Fannie Mae

upon default and the obligation for payment of certain losses, damages, and costs arising out of, among other things, the misapplication or conversion by Borrower of any Rents following default under the Note. Borrower has failed to remit all Rents, including post-default Rents, to Fannie Mae.

95. Borrower has breached its contractual obligations to Fannie Mae under the Loan Documents by failing to tender the Life Safety Repairs Deposit, the Critical Repairs Deposit and the Deferred Maintenance Deposit to Fannie Mae, and in failing and refusing to turnover to Fannie Mae the Rents (including post-default Rents), thereby causing monetary damages to Fannie Mae.

96. Borrower has further breached its contractual obligations to Fannie Mae under the Loan Documents by failing to keep the Facility in good repair, and in permitting impairment and deterioration to the Facility, thereby causing monetary damages to Fannie Mae.

97. Accordingly, Fannie Mae demands monetary judgment against Borrower for breach of contract under the Loan Documents in an amount to be determined at trial, together with all accruing interest and costs, including, without limitation, default interest, prepayment premiums, attorneys' fees, and all expenses incurred by Fannie Mae in collecting the Loan Obligations.

PRAYER FOR RELIEF

WHEREFORE, Fannie Mae respectfully requests the following relief:

1. That the Court appoint Tarantino Properties, Inc. as receiver to take possession of the Collateral with responsibilities and authorities consistent with the Receiver's Powers requested herein;

2. That the Court grant Fannie Mae and/or the duly appointed receiver injunctive relief which, among other things: (i) enjoins the Defendant from interfering with the duties of the receiver and/or Fannie Mae; (ii) directs the payment of all Rents, receipts and revenues to the receiver and/or Fannie Mae; and (iii) provides all other relief as requested herein and as may be necessary to preserve and protect the Collateral and in aid of the duties conferred on the receiver and/or Fannie Mae by this Court;

3. That the Court enter an order requiring the Defendant to provide an accounting for and turnover of all Rents generated by the Facility and related Collateral from and after August 24, 2018;

4. That the Court enter judgment in favor of Fannie Mae against Borrower in an amount to be determined at trial, to the fullest extent to which Fannie Mae is entitled under the Loan Documents;

5. That the Court, if requested, direct the receiver to administer the Collateral in a manner which will not jeopardize the operation of the Collateral, including the Facility, while maximizing the amount realized by Fannie Mae from the Collateral; and

6. For any such other, further, or different relief to which Fannie Mae may be entitled.
